

Courtney Tulloch

On the 17th June we had an amazing opportunity to be visited by 4 x Commonwealth Gold Medalist, Courtney Tulloch. Courtney delivered an inspiring assembly to the children in which he demonstrated some of his skills including a back flip and diving over Mrs Williams and Mr L! He also spoke about his journey as a professional gymnast, the challenges he faced and how he overcame them. After the assembly, Courtney put all the children through their paces with an intense fitness circuit, which the children smashed! It was a great afternoon! We managed to raise a whopping £900 to spend on PE. Thank you to everyone who donated and also to the Sports Council who help organise the day!
